

Corporate Entertaining

Wine is the perfect catalyst for mixing business with pleasure! Whether your aim is client networking, team-building or an office treat, our priority is to make your event a memorable one and over-deliver on your expectations.

Our passionate, user-friendly team of wine professionals will ensure your guests are entertained, even inspired, and learn something new whether a wine novice or seasoned enthusiast.

- ★ We feature only quality wines that are exemplary examples of their style
- ★ We cater for small or larger groups in a variety of formats, seated or walk-round
- ★ Experiences can take place at your offices, a specific venue of your choice, or we can suggest appropriate alternatives in your preferred locality
- ★ We provide a bespoke, personalised service with rigorous attention to detail
- ★ We do not sell wine so our selections are unbiased
- ★ We can also provide quality catering options

We will suggest a variety of Grapetaste Experience options to suit your purpose and budget. Once agreed you can relax while we make it happen.
